Vertical Frame Direct Expansion 672 Thermutator

| | | | |
|---------------|------------|----------------------|-------------|
| Item # | SS00001001 | Selling Price | \$25,500.00 |
|---------------|------------|----------------------|-------------|

The vertical frame direct expansion thermutator with accumulator is available in a single arrangement. Engineered to address your specific application. Deduct \$2,000.00 for water, steam or glycol applications as the controls for these applications are not included in our standard pricing. Ammonia/freon unit shown. Photographed as reconditioned. NA = NOT APPLICABLE.
